Anytime 10000	10,000 Anytime Shared UK Landline mins	£99.99 pcm

All prices exclude VAT unless stated. UK Landlines refers to area codes beginning 01, 02 or 03 dialled directly and excludes calls to mobiles, the Internet or non-geographic (e.g. 0845, 0870) numbers. Maximum of one Anytime Bolt-On per account. Unused minutes cannot be rolled over.

Line Services (optional)

Receive just one monthly phone bill when you transfer your business line(s) AND your calls to our cheaper phone service.

We call this service 'Calls & Lines'

Calls & Lines Pricing Summary

Line Rental Type	Description	Monthly Charges (per line*)
Standard Analogue	<i>Either single lines (for fax, modems and individual handsets) and multi-lines (for multiple lines sharing the same telephone number).</i>	£11.66
ISDN2e	<i>Provides customers with two 64Kbps channels via a single line.</i>	£29.00
ISDN30	<i>Provides customers with up to thirty 64Kbps channels delivered via a single 2Mbps interface. Utilising Direct Dialling Inwards (DDI) facilities, unique telephone numbers can also be provided for individual PBX extension users.</i>	£13.50

For more information please visit our website at www.4telgroup.com/landline

All prices exclude VAT unless stated. *Prices quoted are per line (Standard Analogue, ISDN2e) or per channel (ISDN30). ISDN2e provides 2 channels on one telephone line. All orders are subject to our Connect Terms of Business and are subject to status.

Broadband Services (optional)

Broadband Pricing Summary

Service Type	Description	Monthly Charges
Connect Max Basic	<i>Ideal for the Small Office / Busy Homeworker our lowest priced broadband product with speeds of up to 8Mbps and a 50:1 contention ratio.</i>	From £14.99[†]
Connect Max Office	<i>Ideal for the busy office our mid-range broadband product with speeds of up to 8Mbps and a 20:1 contention ratio.</i>	£34.99
Connect Max Premium	<i>Ideal for the larger office this business grade broadband product offers speeds of up to 8Mbps and a 10:1 contention ratio.</i>	£49.99

For more information please visit our website at www.4telgroup.com/broadband

All prices exclude VAT unless stated. Terms apply. E&OE Please note not all services are available in all areas. Speed can vary significantly depending on distance from the exchange. Fair Usage Policy applies. Contention Ratio: This ratio describes the maximum number of subscribers that can use your line at one time. e.g. if you had a 50:1 contention ratio this would mean that a maximum of 49 other users could be on your line at one time. Consequently this means the higher the contention ratio the higher variations in speed you may receive. [†] Pay just £14.99 per month for Connect Max Basic 50:1 when you subscribe to our Calls & Lines service (otherwise £19.99 pcm)
