

Call Minder Standard

Call Minder Standard

Answers your calls and records a message when you're busy or on the phone. Up to 30 messages can be stored.

Call Minder can be accessed from the landline or remotely to retrieve messages and to change service options such as the number of rings before answer, personal greeting and PIN.

How much is it?

Item	Cost
Call Minder Std	£2.00 pcm

All prices exclude VAT. Terms apply.

Instructions for use

1) Accessing from your phone

- Dial 1571. Call Minder will tell you how many messages you have as soon as you call.
- Press 1 to listen to messages, press 2 for personal options or press 4 for missed calls.
- After reviewing any messages press 0 to return the call, press 1 to listen again, press 2 to save or skip or 3 to delete a message.
- After the return call is completed you'll be returned to the post message review options.
- After pressing 0 to select Call Return, the End User may press # at any time to terminate the returned call and be returned to the Message Review menu (or missed call menu, as appropriate) in the same way as for the called party clearing the call.

2) Accessing from another phone

Dial your own phone number. On hearing the Call Minder greeting enter your PIN number.

Personal Options are:

- Number of rings before answering
- Record your personalised greeting message
- Change PIN
