Line Rental: Excluded Services

Certain BT Lines cannot be migrated to our service. Some of the key exclusions are:

- Red ABC Alarm Lines
- FeatureLine*
- FeatureNet
- Lines using Remote Call Forwarding

* although it is not currently possible to transfer FeatureLine Lines from BT, savings on Call Charges are still possible.

All charges Per Line unless stated. All prices exclude VAT unless stated. All orders subject to status. Terms apply. Other Charges e.g. New Line installs: Prices quoted refer to Standard charges and excludes external construction charges etc. †New Line Services (where we arrange installation of New Analogue / ISDN telephone lines). By placing an order you agree that we can carry out credit and fraud checks against your personal and/or company details. Before placing your order we may request a prepayment (for example, to cover the cost of line installations).
